

## 15<sup>th</sup> street artist festival "Gütersloher Straßenfiffi"

The Berliner Platz in Gütersloh is available for seven international street artists (no street musicians) on Sunday opening at 30<sup>th</sup> of September 2018. Everyone has a 30 minute performance to inspire the audience with artistry, magic and juggling.

The organizer (Gütersloh Marketing) does **not** pay any costs of the artist's journey.
